

The Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear The Federal Communications Commission,

Dear Chairman Martin, I think it would be extremely unfair to make us pay extra for our airtime minutes..I mean come on!..they are already high enough...and i think if they get any higher it would be way cheaper to just got ahead and get a regular cell phone!..and the only reason i have a trac phone is so i can prove im reasonable enough to take care of a phone...but yeah..thanks a bunch!

Sincerely,

kayla ski
